\$ 3.50	\$ 3.55	31.00%					

- 1) Fuel surcharge percentages for DLG Transport, Inc. National Port / Inland Port / Rail Drayage shipments are subject to a weekly adjustment. The adjustment is made according to the matrix / table above. The fuel surcharge is based on the diesel on highway price per gallon stated by the U.S. Department of Energy by PADD as updated every Monday at 4:00pm. The updated weekly surcharge takes effect each Tuesday for containers tendered that day for transport or on the date of release.
- 2) When diesel fuel prices are above \$ 3.55 per gallon, FSC increases by .50% for every \$.05 increase.
